

### From the sheep yards

Young Jock Barwick (pictured left with selling agent Phillip Hetherington) had to get special leave from Kindergarten to sell his ute load of lambs at TRLX today but it paid off with his ten lambs sold through RWGC making \$145.

Jock was all smiles after the sale and revealed that he's saving to buy a motor bike with the proceeds of the sale - but a reliable source also told me that he's planning on buying a piggy bank to hide his money from his brother!

Well done Jock. We look forward to seeing many more of your lambs through TRLX over the years.
